

The University Of Illinois Department Of Infection Control is seeking a full time Associate Director. The successful candidate will be responsible for serving as primary advisor to the Director regarding overall programs, management and operations of the unit, with major program development, program analysis, supervision and policy-making responsibility.

Minimum qualifications include Master's degree in Nursing or Public Health with concentration in epidemiology and a minimum of seven years of Infection Control experience and CIC certification.

For fullest consideration, submit resume by December 14, 2009 to Aurora Arias at aurora@uic.edu. The University of Illinois is an AA/EOE.
